

# GOING UP

Medina JV Winterguard is proud to present their 2025 show entitled, "Going Up"!

Join us on our journey to the party of the season! We will board the elevator in the lobby of the hotel where we will hang out with bellhops, listen to elevator music, and see if all the hype over a big jump is true. Finally, we will end at our final destination; a New York city rooftop party with all of our friends to enjoy the beauty and color of the city nightlife.

The Medina JV Winterguard is led by director/drill designer Melissa Jaeger, with instruction from instructors Katie Crooks, Kara Brown, and Kaela Grosslinger, and Marching Band Director Mr. Jaeger. Consultants include Jimmy Steele and Molly Beth Jaeger. The group would like to thank the Band Boosters and student volunteers for their continued help with the floor, props, chaperoning, and uniforms.
