

Batavia Cadet Winterguard is under the direction of Shannon Mellander. The show design is by Alexis Begin, Erica Feyh, and Lucy Taggart. Batavia Cadet would like to thank all of our helpful volunteers, parents, and the Batavia Music Boosters. They would also like to thank those who donated their time and resources to help this production come together. Conjuring Dreams explores the ability we have to face our fears and discover the true *power* we have within ourselves. We are proud to present our 2025 program, Conjuring Dreams.
