“Escape the chill of winter with our 2025 show, ‘SummerTide’! This vibrant production transports you to a sun-kissed beach, where the warmth of summer never fades. Our performers will weave a visual tapestry of sizzling summer days, where the only worry is what flavor of ice-cold drink to sip on next or which slice of juice watermelon to indulge in. So, join us on this fantastical journey as we shake off the winter blues and bask in the radiant spirit of summer!”
