

HINSDALE HEADLINERS 2025

Under the direction of Angela Franz and Lori Harris, the Headliners will be performing to a full moon poem by Aranwen Heartsong and music by Richard Pryn.

The members, in grades 5-12, will bring to light a small moment for the love for life. Nestled in the deep dark forest, a secret meeting to celebrate the moon and to bring peace to all it sees.

We hope you enjoy our program and help us celebrate all that the moon sees, and doesn't see.
