No One's Talking!

Welcome to the days of the Silent Film at the jazziest speakeasy in town, where the music is hot, the dancing is hotter, and the mystery is sizzling!

The night starts off with a bang as the band plays a lively tune, and the dance floor is bustling.

Enter our detectives: They weave through the crowd, questioning the guests, each of whom has a secret to hide, but **no one's talking!** The sultry singer, the shady bartender, the mysterious stranger in the corner—everyone's a suspect.

Clues are scattered throughout the speakeasy. The detectives piece together the puzzle, each clue leading them closer to the truth.

As the night progresses, the tension builds. The detectives gather everyone in the main hall for the big reveal. With a dramatic flourish, they unveil the murderer, they did it **their way.**

Who knew a night out at the speakeasy could be so thrilling?
