

Jamestown Express

Back in Line

Jamestown Express is proud to present their show “Back in Line” to you this season! They invite you to pretend you are in line to ride a roller coaster. What emotions are you feeling? Are you excited? Nervous? Scared? Have butterflies in your stomach? Now think about the feelings you had the first time you fell in love...excited? Nervous? Scared? Butterflies in your stomach? Riding a roller coaster is just like falling in love, nerve-wracking at first, but you’re willing to continue getting back in line to keep that feeling!

The guard is under the direction of Kaitlyn Marsh. Show design and choreography are by Kaitlyn Marsh and Marc Lentsch. Guard technicians are Marla Kearns and Emily Whitney. Jamestown Express will also be competing at the WGI Corning Regional and at World Championships in Dayton, OH.

Jamestown would like to thank their parents, booster program, school district, and community for their continuous support!
