

# Batavia Music & Winterguard Boosters - Fantastic Visions 2024

February 3rd, 2024

Dear Winterguard Directors and Staff,

Thank you for choosing to participate in Fantastic Visions 2024. The Batavia Music and Winter Guard Boosters are looking forward to providing a great experience for the guards competing in our show. Included in this packet you will find all necessary show information.

Our show will run with all the guidelines that are set forth by WGI. Also please remind parents and staff that per NY State there is NO SMOKING or VAPING on school grounds. No equipment or prop practice may occur except in the equipment warm-up or performance areas. Only guard members, staff personnel and chaperones (all must have circuit passes), will be allowed into the guard dressing room area.

Thank you again for choosing our contest. Good luck to all guards competing in the Fantastic Visions 2024 Winterguard Show!

**Street Address:** Batavia High School is located at 260 State St., Batavia, NY 14020

**Classroom Access:** Each guard will be assigned a classroom in the building dressing. **An adult must be present in the room whenever there are students in it.** Guard staff will be held accountable for the room & its contents. DO NOT touch the blinds. DO NOT open desks or cupboards, or utilize anything in the classroom. Please leave your room as you found it. No food or drink is permitted in the classrooms as well, and use of especially messy products such as glitter is ONLY permitted in restroom areas. NO USE of

**Equipment Warm-up:** Please note that the auxiliary gym is split in half for warm-up times (curtain separates the halves) to provide each unit with double equipment warm-up time. This will require good etiquette by all units (please control voices and music) so that one unit does not interfere with another unit's warm-up.
